INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
L.S.U. at Eunice Foundation, Inc.
Eunice, Louisiana

We have audited the accompanying statements of financial position of the L.S.U. at Eunice Foundation, Inc. (a nonprofit organization) as of June 30, 2012 and 2011, and the related statements of activities and cash flows for the years then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the L.S.U. at Eunice Foundation, Inc. as of June 30, 2012 and 2011, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued a report dated December 10, 2012, on our consideration of the L.S.U. at Eunice Foundation, Inc.'s internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing standards* and should be considered in assessing the results of our audit.

Notes to Financial Statements

NOTE 1 NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

The L.S.U. at Eunice Foundation, Inc. is a non-profit corporation formed to promote the educational cultural welfare of Louisiana State University at Eunice by accepting gifts for the purpose of providing scholarships, aiding research or such other designated projects for the benefit of the University.

Basis of Accounting

The financial statements of the Foundation have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles.

Basis of Presentation

Financial statement presentation follows the recommendation of the Financial Accounting Standards Board in its Statement of Financial Accounting Standards FASB ASC 958-225 (formerly SFAS No. 117, *Financial Statements of Not-for-Profit Organizations*.) Under FASB ASC 958-225, the Foundation, is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Uses of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Tax Status

The Foundation is exempt from federal income tax under Section 501(a) of the Internal Revenue Code (IRC) as an organization described in IRC Section 501(c)(3). Accordingly, no provision for income taxes has been made. However, should the Foundation engage in activities unrelated to its exempt purpose, taxable income could result. The Foundation had no material unrelated business income for the fiscal years audited.

The Foundation elected, in fiscal year ended June 30, 2011, the provisions of FASB ASC 740-10 (formerly FASB Interpretation 48 "*Accounting for Uncertainties in Income Taxes*.") It has not adopted any uncertain tax positions with respect to those amounts reported in its fiscal years ended June 30, 2012 and 2011 financial statements.

Subsequent Events

Management has evaluated subsequent events through December 10, 2012, the date the financial statements were available to be issued.

L.S.U. AT EUNICE FOUNDATION, INC.

Notes to Financial Statements

NOTE 1 NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES (Continued)

Contributions

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence and/or nature of any donor restrictions.

The Foundation has not received any contributions with donor-imposed restrictions that would result in temporarily restricted net assets.

Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

NOTE 2 INVESTMENTS IN L.S.U. FOUNDATION MANAGED ASSETS

The Foundation entered into a management agreement with the L.S.U. Foundation whereby the L.S.U. Foundation shall hold funds on behalf of the Foundation solely for the purpose of investing the funds. The L.S.U. Foundation may assess its standard service fees annually to cover its administrative costs. The agreement shall remain in effect until 180-day written notice is given by either party to the other party.

Investments held by the L.S.U. Foundation on behalf of the Foundation are reported at their fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets in the statement of activities. Investment in L.S.U. Foundation managed assets consisted of the following as of June 30:

	2012		2011	
	Cost	Market Value	Cost	Market Value
Unrestricted	\$ 275,887	\$ 598,411	\$ 496,118	\$ 492,771
Permanently Restricted	1,370,073	1,344,882	1,041,620	1,444,464

Fair Values of Financial Instruments

Effective for the fiscal year ended June 30, 2009, the Foundation adopted FASB Accounting Standards Codification Topic 820, "Fair Value Measurements (Topic 820)." Topic 820 requires disclosures that stratify balance sheet amounts measured at fair value based on the inputs used to derive fair value measurements.

These levels are:

- Level 1 -inputs are based upon adjusted quoted prices for identical instruments traded in active markets.
- Level 2 -inputs are based upon quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active, and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data for substantially the full term of assets or liabilities.
- Level 3 -inputs are generally unobservable and typically reflect management's estimate of assumptions that market participants would use in pricing the asset or liability. The fair values are therefore determined using model-based techniques that include option pricing models, discounted cash flow models, and similar techniques.

Fair Value of Assets Measured on a Recurring Basis

The Foundation's investments in securities with readily determinable fair values are recorded at fair value based on quoted market prices. For those investments, where quoted prices are unavailable, management estimates fair value based on quoted prices for similar instruments with consideration of actively quoted interest rates, credit ratings and spreads, prepayment models, and collateral data. The Foundation utilizes several externally managed funds of funds for private equity, venture capital, and hedge funds, and with these types of investments, quoted prices are often unavailable, and pricing inputs are generally unobservable. The Foundation relies on the valuation procedures and methodologies of the external managers hired specifically to invest in such securities or in strategies which employ such securities. The application of those valuation procedures and methodologies are borne out in each manager's FASB ASC 820 compliant annual audited financial statements and were monitored through the L.S.U. Foundation's reporting period ended June 30, 2012.

Fair Value of Assets Measured on a Nonrecurring Basis

The Foundation had no material assets or liabilities measured at fair value on a nonrecurring basis as of June 30, 2012.

NOTE 3 RESTRICTIONS ON NET ASSETS

Permanently restricted net assets consist of the following at June 30:

	2012	2011
Endowment funds	<u>\$ 1,344,882</u>	<u>\$ 1,444,464</u>

NOTE 4 COMMITMENTS, CONTINGENCIES, AND SUBSEQUENT EVENTS

Grants, bequests, and endowments require the fulfillment of certain conditions as set forth in the instrument of the grant. Failure to fulfill the conditions, or in the case of endowments, failure to continue to fulfill them, could result in the return of the funds to grantors. Although that is a possibility, the Board deems the contingency remote, since by accepting the grants and their terms, it has accommodated the objectives of the organization to the provisions of the grant.

NOTE 5 NET ASSETS RELEASED FROM RESTRICTIONS

Net assets, derived from reserved earnings of endowment funds, were released from restrictions, in the amount of \$25,428 and \$26,886, in order to meet spending requirements for the years ended June 30, 2012 and 2011, respectively.

ADDITIONAL INFORMATION

Report on Internal Control Over Financial Reporting
And on Compliance and Other Matters Based on an
Audit of Financial Statements Performed in
Accordance with *Governmental Auditing Standards*

To the Board of Directors
L.S.U. at Eunice Foundation, Inc.
Eunice, Louisiana

We have audited the financial statements of L.S.U. at Eunice Foundation, Inc. (a nonprofit corporation) as of and for the years ended June 30, 2012 and 2011, and have issued our report thereon dated December 10, 2012. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

Management of L.S.U. at Eunice Foundation, Inc. is responsible for establishing and maintaining effective internal control over financial reporting. In planning and performing our audit, we considered L.S.U. at Eunice Foundation, Inc.'s internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of L.S.U. at Eunice Foundation, Inc.'s internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether L.S.U. at Eunice Foundation, Inc. financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of the Board of Directors, management, others within the organization, and federal awarding agencies and is not intended to be and should not be used by anyone other than those specific parties. Under Louisiana Revised Statute 24:513, this report is distributed by the Legislative Auditor as a public document, therefore its distribution is not limited.
